

Michigan Fiero Club
Cruisin Hines Drive Park
Saturday, August 27, 2017

<http://www.cruisinhines.com/index.htm>

Our club's assigned spot for the Event is the area between Middlement and Merriman Roads on the North side of the Road approximately 0.4 miles past Middlebelt heading west on Hines Drive. The entrance to this event is only from Ford Road where it intersects with Hinds Drive. The easiest path is probably to travel North or South on Southfield Road and get off at the Ford Road exit. Take Ford Road West for approx. 1.4 miles to the entrance to Hines Park Drive (a right hand turn) From this point, our area is 7.0 miles West on the North side of Hines (0.4 miles West of Middlebelt; if you get to Merriman you have gone too far).

The area will be laid out by an advanced team from our club ... you only have to look for our Club signs and Fieros parked on the North side of the road. The event officially starts at 9:AM and runs to 3:00 PM. If you leave the Crusin Hines area during this time interval, you will have to re-enter again from Ford Road in Dearborn,

Thanks and hope to see you at the Cruisn Hinds event; last year they had close to 5,000 Classic Cars and Hot Rods!. This is one big event!
