

Route to Sauder Village

The planned route is from the Pinckney, MI McDonald's at 1184 E. M-36 leaving at 8:00 AM on Saturday May 4th. We will head south, down Dexter-Pinckney Rd. turning right onto North Territorial Rd. We will take that over to Stofer Rd. which becomes Island Lake for a short distance and then becomes Werkner Rd. We will take that to M-52 to the roundabout and take the third exit south on M-52 into the McDonald's at the south end of Chelsea. There we will have a 1/2 hour comfort break/refueling stop. We will then head on down M-52 to the south Adrian McDonald's at 1080 E US Highway 223 for our second and last 1/2 hour comfort stop/refueling stop. We will travel on down M-52 into Ohio where the road becomes OH-109. We will turn right onto US-20 and continue west about 5 miles to OH-108 turning south for about 7 miles. We will then turn right onto Alt. US-20 west for about 5-1/2 miles to county road 20 south and proceed 2 miles to state route 2, turning right and then about 3 miles on west to 22611 state route 2, Sauder Village arriving around 11:00 AM. We can all park together somewhere between the Barn Restaurant and the Welcome Center where we all will need to purchase our admission tickets. I will try to make provisions for a group table at the Barn Restaurant for 12:00 noon for anyone who would like to eat there as a group. Below is a map of the planned route. People are welcome to join the group at any of the comfort stops as well as the final destination if so desired. We are hoping for great weather and a really good club turnout for this years' event!
